*Dear Minister,*

I hope this finds you well and congratulations on your new role. I look forward to working with you, particularly with regard to Luton Airport.

As you will know, Luton Airport noise and expansion has become a major issue in my constituency in recent years. The introduction of the RNAV flight path has turned quiet areas of my constituency, situated 10/15 miles from Luton Airport, into extremely noisy flight tracks. This change has had a serious impact on the quality of life for the people living there.

Many of my constituents now regularly complain about the additional noise burden of Heathrow Airport flights too.

With the government's prolonged airspace advancement programme making slow progress, combined with the enormous planned expansion of Heathrow and Luton Airports, I would be extremely grateful if you would find the time to meet with me and a small group of my constituents to discuss this matter further.

I would be glad to hold a meeting in Westminster or I could try and arrange for a meeting at Luton Airport, if you feel that would be helpful.

Thank you in advance and I look forward to hearing from you.

With best wishes,

*Anne Main*
